Saturday	8:00 a.m. to 1:00 p.m.

Schedule of operating hours subject to weather conditions

Holiday adjustments or shut-downs to be posted at the transfer station.

In
Memoriam

Eugene J. Berube

**Born - June 8, 1915
Deceased - December 7, 1995**

Mr. Berube was born in Rollinsford, educated in the Rollinsford school system, and lived here most of his life. A meat cutter by trade he had worked at the Pease Air Force Base commissary for 28 years. For 15 years, along with other family members he owned and operated the Berube IGA Supermarket in Rollinsford.

Eugene was Town Clerk from 1951 to 1978, and until his death, he was a member of the Trustees of the Cemeteries and a Trustee of Trust Funds. Mr. Berube also was a willing helper at election time, along with his wife Annette (Bobbi).

Eugene and Bobbi have two daughters, Suzanne and Julie-Ann.

SELECTMEN'S ANNUAL REPORT 1995

The Town of Rollinsford has completed another successful year of providing municipal services without raising the municipal tax rate.

The highway department was tested by several ice and snow storms during the year. During the summer the following streets, renovated and resurfaced, included: Wille Street Extension, Oak Street, a section of Baer Road, part of Old Mill Lane and Old Inidgo Hill Road near Crockett's Crossing.

The transfer and recycling station continued to function well while the waste budget was reduced by approximately 200 tons of metal, newspaper, magazines, plastics, tin cans, and cardboard. The 200 tons removed from the waste stream saved about \$10,000.00 in tipping fees and transportation costs to Durham. Another \$10,000.00+ was received from the sale of metal and recyclable materials. The Selectmen and transfer station personnel congratulate the dedicated recyclers in Rollinsford who were responsible for the success of our waste disposal program. While officials in some areas are calling for increases in their waste disposal budget, the Selectmen of Rollinsford are pleased to recommend over a \$7,000.00 decrease in the 1996 waste disposal budget.

The Lamprey Regional Solid Waste Incinerator in Durham closed down on November 20, 1995. Rollinsford waste is now taken to the Turnkey Landfill in Rochester, New Hampshire by the Lamprey Regional Cooperative. The Cooperative plans to construct a transfer station and material recovery facility in Madbury by midyear 1996. During 1996, Rollinsford will pay Lamprey Regional Cooperative a tipping fee of \$50.00 per ton plus a hauling charge of \$75.00 per compactor can (an average of about 10 tons per can). Once Lamprey begins to operate the material recovery facility, Rollinsford's net tipping per ton is expected to decline in subsequent years.

The Selectmen expect to sell the first industrial lot in the town's mini industrial park adjacent to the Jessie Doe Road this spring. While the road was not extended in 1995, Article XIII in the 1996 Town Warrant again provides the Selectmen with authority to extend Jessie Doe Road if a buyer for town industrial lots is found.

The recommend 1996 town budget is another "hold the line" budget. The budget calls for capital increases for a police cruiser, and the fire station building fund. These increases were offset by declines in waste disposable, welfare, and debt maintenance.

The citizens' collective vision of the Town of Rollinsford should guide the future evolution of our community. Citizen input into the Community Stewardship and Civic Profile Programs, indicated that people want to keep Rollinsford a residential town with open space and scenic views, good schools and reasonable property tax rates.

The outcome of the current discussions of the area school agreement with Somersworth will have a major impact on public education and school budgets in Rollinsford. Hopefully all voters will make an effort to become informed about the various school options and participate in school district votes on this issue.

A police building committee has recommended that new quarters be constructed for the Rollinsford Police Department. One proposal is to build a new police station and municipal administration building on Silver Street. This proposal would require that the town shed be moved to a new site off Jessie Doe Road. It would also raise the question about future use of the current town hall. The Historic Commission has argued that the current town hall should be retained as an historic structure in the village area. This committee suggest that an elevator be placed in the town hall and that the basement be renovated for the police department. The lack of parking space will have to be addressed if the town hall were to be renovated. Alternative solutions for the police space problem will be studied by the police committee, the Selectmen, the planning board and the historic commission during 1996. The impact on the Police Department, the village area and the future budget will be considered in any feasibility analysis. We expect to have more information on this issue for 1997.

The Selectmen are still looking for taxpayers who would be interested in acting as wing- persons on the snow plow trucks. This job calls for a person who can keep the driver awake and help the driver avoid hitting mail boxes and utility poles. No operation of equipment is involved. It is a good way to see your Town while earning \$5.00 per hour. A shift would last approximately four hours. Interested persons should contact the Selectmen or Road Agent.

Once again, the Selectmen wish to thank the unsung town employees and people who volunteered to serve on committees that helped keep local government operating during 1995.

MANAGEMENT LETTER

Town of Rollinsford - As of December 31, 1995

In planning and performing our audit of the general purpose financial statements of the Town of Rollinsford for the year ended December 31, 1994, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide assurance on the internal control structure. However, we noted certain matters involving the internal control structure and its operation that we consider to be reportable conditions under standards established by the American Institute of Certified Public Accountants. Reportable conditions involve matters coming to our attention that, in our judgment, could adversely affect the Town of Rollinsford's ability to record, process, summarize, and report financial data consistent with the assertions of management in the general purpose financial statements. The matters noted are only those that came to the auditor's attention, and, had the auditor's procedures in internal control structure related matters been more extensive, other matters might have been noted.

Bank Reconciliation

The treasurer reconciles the bank statements monthly. However, once reconciled the ending balances were not compared to the cash accounts in the general ledger. Adjustments for service charges, return checks or transfers within the investment account were not posted.

It is recommended that once the treasurer has reconciled the monthly bank statement, it is compared to the general ledger and any adjustments be posted within the proper month.

Corrections or Adjustments

During the audit it was discovered that some adjustments or corrections within the general ledger system was not posted through the general journal or lacked sufficient documentation to explain the adjustments.

All adjustments or corrections should be posted to the general journal with sufficient documentation.

Fixed Assets

The Town does not maintain records of general fixed assets such as property and equipment with a life expectancy exceeding one year. The recording of fixed assets would fulfill the need to provide for physical dollar value control, and establish accountability for general government capital expenditures over the year.

With the recording of fixed assets, the related depreciation could be determined on an annual basis for the purpose of measuring the total cost of governmental services and evaluating the efficiency of programs. This was recommended in the prior year report.

A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be reportable conditions and accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above. However, none of the reportable conditions described above is believed to be a material weakness.

This report is intended for the use of management and the State of New Hampshire, Department of Revenue Administration. However, this report is a matter of public record, and its distribution is not limited.

Very truly yours,
Giordani, Lortie & Carignan, Prof. Assn.
Certified Public Accountants

Dated: March 24, 1995

ROLLINSFORD POLICE REPORT

During the past year, the Rollinsford Police Department has continued to provide excellent police service to the citizens of Rollinsford. We are continually looking at new ways and evaluating current procedures to offer improved services.

Officer Nicholas Boulter resigned during the past year to assume a position with the Madbury Police Department. Officer Boulter is an outstanding police officer and we wish him well with his future endeavors. As of this report, we have not filled his position, thus we are one officer short of manning.

I am pleased to announce that this year we will be increasing the amount of bicycle patrol time. Last year we found the bicycle patrols were very positive for the community.

We will be sending an officer to the D.A.R.E. Instructor's Course later this year with the intentions of having a D.A.R.E. Program at the Grade School beginning January 1997.

For several months now, we have been working with a committee of citizens looking into the current and future needs of the police department. The meetings have proven to be positive thus far and I welcome anyone who has ideas, suggestions, or questions concerning the police department to stop by or give me a call. I feel that it is important to have as much input as possible when addressing the concerns of the community.

The following Awards were given out in 1995:

Officer of the Year 1994	Officer Nicholas Boulter
Employee of the Qtr. Jan-Mar 95	Secretary Denise Foss
Employee of the Qtr. Apr-Jun 95	Officer Gregory Nye
Employee of the Qtr. Jul-Sep 95	Officer Phillip Gaiser
Employee of the Qtr. Oct-Dec 95	Officer Phillip Gaiser

I would like to thank the Rollinsford Community for its support and a special thanks to the men and women of the Rollinsford Police Department for their continued great work. I am proud of their dedication to duty and commitment to the citizens of Rollinsford.

Very truly yours,
Robert Ducharme
Chief of Police

1995 FIRE DEPARTMENT ANNUAL REPORT

In 1995, the Rollinsford Fire Department responded to a total of 173 calls. Listed below, the breakdown:

Medical Aid	38	False Alarms	7
Fire Alarm Activation	23	Electrical Fires	5
Motor Vehicle Accidents	22	Smoke Investigations	4
Mutual Aid Calls	22	C.O. Detector Activation	4
Electrical Wires Down	11	Vehicles Fires	4
Smoke in the Building	9	Haz Mat Incidents	2
Woods/Grass/Landfill Fires	8	Non Permit Fires	2
Public/Police Assist	7		

We received mutual aid from other fire departments 8 times.

The manning of the Department has stayed level at about 25 fire fighters. Out of these 25, 8 are employed as full time fire fighters with other departments. There are 2 paramedics and 9 EMTs also on the department. Out of the 25 fire fighters, 20 are certified by the state as fire fighters, 3 are in training to become certified and we also have 3 certified state instructors on the department.

During the year, the fire fighters and Officers continued unselfishly their training both in the station and certified classes. We had 4 members of the department attend the National Fire Academy in Maryland this year and hope to send 6 different members next year.

I would like to thank all the area businesses and townspeople that helped us during the year in our fund raising efforts. We continue to raise funds through the Firemen's Association to purchase equipment that is just unattainable through the municipal budget. I also have applied and received a state funded grant to purchase Indian Back Packs with matching funds this year.

In closing, I would like to thank the men and women of the department and their families for the time and dedication to Rollinsford Fire Department. Also, the Town Officials for their continued support. Keep in mind the Rollinsford Fire Department is available on Sunday mornings for questions or assistance. Please do not hesitate to stop by and see what your Fire Department is doing.

Regards,
Harry S. Knowles, Fire Chief

SOUTH BERWICK EMERGENCY RESCUE

South Berwick Emergency Rescue continues to progress and improve on the level of Emergency Medical Services provided to our two towns. We are pleased to be able to offer the highest level of care possible, and feel that our services are as good, if not better than any other service in the area, at a far lower cost. As the numbers above show, we have made a significant cut in cost to the towns this year. More importantly, we have again been recognized by the medical community with both "Paramedic of the Year" and "Emergency Medical Technician Intermediate of the Year" coming from South Berwick Rescue for 1995.

This year's budget request again shows our dedicated attempt to hold the line on expenses, yet provide a quality level of care to our fellow citizens. Our budget request is based upon what we project to receive as payments from calls, donations, family memberships and town support. The town support figure is divided up to 3/4 for South Berwick and 1/4 for Rollinsford - as this is the average call volume breakdown. One additional factor this year is with the expected move into our new leased facilities. The town of South Berwick will be receiving the credit of our past building use cost (utilities, maintenance) towards "rent" in the new facility. This year's request from the town of Rollinsford is \$16,285.00, which is down 13% and from the town of South Berwick a request for \$44,600.00, again a significant 20% reduction.

If you have any questions, either about our budget request or at any time during the year about our operations, please do not hesitate to contact me through the rescue squad or at my residence.

Thank You,
Dave Carey, NREMT-I
Chief, SBER

1995 ANNUAL REPORT OF THE ROLLINSFORD LIBRARY TRUST

It was a quiet year for the Rollinsford Library Trustees. Early in 1995, they shifted some of the library's book collection from storage in both Mill No. 1 and a trustee's basement to the new room downstairs in the Town Hall. Near the end of the year, after all attempts to sell the trust-owned railroad station in the village had been unsuccessful, they agreed to permit the fire department to burn down the dilapidated structure, which clearly presented a worrisome public hazard.

In the past two years, the trustees have undertaken discussions with, and in two instances have received substantial input from, the senior staff of seacoast area public libraries.

The trustees expended the Lion's share of their efforts in raising additional money for the trust fund. In late June, they had a booth at the South Berwick Strawberry Festival, selling Rollinsford Library T-shirts and (a lot of) ice cold orange juice. In August, the trustees manned a booth at the American Legion Family Day, and in December, they did so again at the Rollinsford Fire Department's Christmas Fair. At the latter event, the trustees sold T-shirts and homemade hot fudge sauce.

Major expenses include plywood purchased for the new library room, three memberships in the New Hampshire Library Trustees Association, and film and print processing in order to photodocument the burning of the railroad station. This structure had been part of the Salmon Falls Mill Historic District, and has thus been listed on the National Register of Historic Places. Such photodocumentation was necessary to conform to Federal and State regulations.

Nelson H. Lawry
Treasurer

ANNUAL REPORT OF THE ROLLINSFORD PLANNING BOARD

The Planning Board granted one minor lot line adjustment (Application of Norman Gagnon), one home occupation site review (Application of Robert Chase), two site plan reviews (Application of York Machine Co., Application of First NH Bank) and one subdivision approval (Application of Andrew Janetos). The Planning Board also worked with the Board of Selectmen to determine the proper application of the Zoning Ordinance to the lots created along the newly built road to the Rollinsford Transfer Station.

In response to the information that we obtained from the community in the Stewardship Project and public meetings held with the Town's business community and interested residents, the Planning Board has proposed a series of three amendments to the Zoning Ordinance that will be considered by Rollinsford voters in March 1996. The purpose of the proposed amendments is to: (1) better regulate the stickpiling and application of sewage sludge, (2) provide more freedom and more appropriate oversight of home enterprises, and (3) better tailor the "floating zone" ordinance. The Board is also conducting public hearings to consider amendments to correct several minor clerical errors that had crept into the rules and regulations governing site plan reviews and the granting of subdivision approvals. Looking ahead to 1996, the Board expects to get help from the Strafford Regional Planning Commission to determine whether to propose land use planning tools for controlling creeping commercial development on Route 4 by concentrating future development near the intersections of (1) Roberts Road, Baer Road, and Route 4 and (2) Short Street and Route 4. Members of the Rollinsford business community have expressed support for such an approach, but

citizens attending a public forum voiced strong opposition to the use of such tools, favoring stricter controls on any commercial development along the scenic Route 4 corridor.

The Rollinsford Planning Board was fortunate again in 1995 to be able to rely on the skills and generosity of its volunteer members. Marc Couture again faithfully and thoroughly maintained the records of the Board and managed its agenda as Secretary to the Board.

Respectfully submitted,
Charles T. Putnam, Chairman

1995 ANNUAL REPORT OF THE ROLLINSFORD HISTORIC COMMISSION

The historic commission's activities for 1995 in education - through field trips for the students at Rollinsford Grade School, evening lectures for the general public, and displays at the Town Hall - and in preservation occupied the greater proportion of its efforts on behalf of town history.

During the late spring, Peter Michaud led third graders on a tour through historic Salmon Falls Village, including the cotton mills; in the fall, Julia Roberts and Lucy Putnam supervised fifth and sixth graders in an archaeological dig at the Roberts farm on Roberts Road.

The commission's spring lecture series at the Grade School included talks on the history of the Salmon Falls mills and mill village (Peter Michaud), the preservation of the timber frame sheds and barn at the Roberts farm (Arron Sturgis), and the technology of the Rollins Farm and other timber boxed pony truss bridges (Nelson Lawry). The fall series included presentations on the archaeological excavation at the Chadbourne house in South Berwick (Berwick Academy's Brad Fletcher), and the publication of sensationalist fiction by 19th century author Louisa May Alcott (Janice Alberghene), this last talk underwritten by the New Hampshire Humanities Council.

For the American Legion's Family Day in August, commission members Lucy Putnam, Marc Couture, Julia Roberts, and Peter Michaud created displays on the history of both ice harvesting and ice cream, and along with volunteer Martha Couture, the first three assisted a lot of enthusiastic children in do-it-yourself ice cream making (the reward for such labor being in the eating). Marc Couture was honored on Veterans' Day by an achievement award from Legion Post No. 47 for his previous year's project in restoring and painting the pair of Dahlgren naval cannon in Morton Park.

Two hallmark structures in Salmon Falls Village are no more. Both the clapboard, branch-line railroad station and the brick, coal-fired heating plant for the mills had over time suffered such deterioration that they had become public hazards, but sufficient funding was not available for their rehabilitation. In August, Richard Dodier Excavating razed the heating plant, and in November, the Rollinsford Fire Department burned down the railroad station. Both structures were part of the Salmon Falls Mill Historic District, and they have been duly removed from the National Register of Historic Places. Seven other structures currently remain within the district.

These losses, however, were matched by gains. An historical sign honoring 17th century resident David Hamilton was returned to the town and was re-erected on Sligo Road by Marc Couture, and the application for the eligibility of the Rollins Farm boxed pony truss bridge on the National Register, made by Nelson Lawry through the State Division of Historical Resources, has been approved by the National Park Service. The application for federal ISTEAA Enhancement funding to rehabilitate this rare old bridge is under consideration at year's end.

Nelson H. Lawry, Chairman

LAMPREY REGIONAL COOPERATIVE

In 1995, we experienced many changes to the Lamprey Regional Cooperative. The Lamprey Regional Cooperative amended and restated their agreement on August 14, 1995. The Lamprey Regional Cooperative also ceased operations of the Waste-to-Energy plant on November 20, 1995. In December 1995, a contract was awarded for demolition of the Waste-to-Energy plant. Demolition began on December 7, 1995 and is scheduled to be completed in February 1996. We will be closing and capping our Ash Landfill in Somersworth in 1996 and it appears at this time that this also will come within our budgeted closure funds.

The Waste-to-Energy plant was operated under budget again in 1995 and we did not experience any major problems in the operating year.

We have made progress toward our goal of a Regional Transfer and Recycling Facility in early 1996 for the communities that have decided to remain in the Lamprey Regional Cooperative into the future.

I would like at this time to thank all of the communities for their cooperation in the operation in the operation of our Waste-to-Energy plant the last fifteen years.

Respectfully submitted,
Joseph Moriarty, Chairm of Board
Lamprey Regional Cooperative

Rollinsford Water & Sewer District

1995 was an especially productive year for the District. After several delays, the water tower and line expansion project was started. During the Fall of 1995, new, larger supply lines with new hydrants were installed at better locations to provide better distribution of water for residential use and better coverage for fire protection.

The next phase of the project will start in early spring when the new lines are connected under the railroad to the "cross country" line to the base of the new tower. The tower itself will start at approximately the same time with the entire improvement completed and on-line by July 1, 1996. Made out of reinforced concrete, the tower will be fifty feet in diameter and rise fifty feet into the air. The size and construction material should result in the tower meeting the residential, commercial and firefighting needs of the community well into the next century.

As a by-product of the project, some of the problems experienced by users over the addition of chlorine and pH buffering chemicals should also be fixed. With the new water tower, water pumped from the wells will be "blended" and aerated to reduce or remove smell and taste problems.

Other projects slated for 1996 for the water system include an overhaul of the pumps on General John Sullivan Way as well as an extension of the main along the same street to improve water flow to residences nearer Route 4.

As for the waste water side of the District, 1995 was a year the District installed an improved and expanded chlorine contact chamber as well as accomplished significant upgrades, repairs and improvements to the processing plant. The only significant problem still to be handled is that of "I&I" (inflow and infiltration). I&I is the problem of groundwater (unpolluted) or foundation and roof drains or sump pumps adding to the inflow of the treatment plant. Since this can overwhelm the treatment process, an intensive program to locate and eliminate these causes of I&I will be conducted in 1996. Since some of these problems are the result of poor or lacking storm drains, the District plans to work constructively with Town Selectmen to address this issue as needed.

Other areas of effort for 1996 for the waste water treatment side of the District include addressing the deteriorating condition of some of the older parts of the collection system. Some portions of the older parts of the system have experienced excessive wear or general deterioration over the years. Now is the time, the Commissioners feel, to begin addressing and correcting these problems while they are still small and relatively inexpensive.

The Commissioners wish to thank Hoyle-Tanner Associates for their able professional help in the past year, especially with the water tower project and with meeting the guidelines of the new waste water treatment permit. The Commissioners would like, however, to give special thanks to Peter Hellfach, chief operator, for his considerable contributions to the improvements, operation and maintenance of the District's systems.

District voters who would like more information about how the District operates its facilities are encouraged to call the office or to come to the plant during business hours.

Respectfully submitted,

Kenneth Shorey,
Commissioner and Chair

Dennis St. Hilaire,
Commissioner

Verne Crosier,
Commissioner

ROLLINSFORD WATER & SEWER DISTRICT MINUTES OF THE ANNUAL MEETING

STATE OF NEW HAMPSHIRE, STRAFFORD, SS.

The inhabitants of the Rollinsford Water & Sewer District qualified to vote in District Affairs met on March 28, 1995 at 7:00 p.m. at the Rollinsford Grade School in the Town of Rollinsford to act upon the following subjects. Edmund Jansen was the Moderator. Mr. Jansen called the meeting to order at 7:00 p.m.

1. To choose by vote the necessary Officers of said District as follows:

A. MODERATOR — Verne Crosier nominated Edmund Jansen. Gail Flynn seconded the nomination. There were no other nominations. Edmund Jansen was elected Moderator.

B. CLERK - Verne Crosier nominated Gailann St. Hilaire. Kristen Ebbeson seconded the nomination. There were no other nominations. Gailann St. Hilaire was elected Clerk.

C. TREASURER - Verne Crosier nominated Linda Caron. Gail Flynn seconded the nomination. There were no other nominations. Linda Caron was elected Treasurer.

D. COMMISSIONER to serve until the Annual Meeting of the District in March 1998. Verne Crosier nominated Kenneth Shorey. Dennis St. Hilaire seconded the nomination. There were no other nominations. Kenneth Shorey was elected Commissioner to serve until the Annual Meeting of the District in March 1998.

2. To hear reports of the present officers.

Ken Shorey gave a brief report about the District's inadequate water storage tank. HTA has designed a new system, overseen surveys and testing. A Special Meeting was held in October 1994 to use funds from savings to complete the engineering studies. The engineering studies are complete and the bids are in for the project. The Sewer system's new permit will be in effect shortly. Infiltration is the District's main concern. We have been televising the system to find out where the surface water is entering. Delinquent accounts 80% in the past year have been paid. That is due to the fact that we now have the ability to shut off their water. There was a brief explanation of how the treatment plant is run. There was a question about a group trying to sew the District. The Commissioners explained that the District has entered into a Consent Decree with the State and no law suit has been filed against the District.

3. To see if the District will approve the operating budget proposed by the Commissioners for the year 1995 which is attached. (approved by the Town Budget Committee)

Verne reviewed the budget. Ken made a motion to accept the budget. Verne seconded it. All were in favor. The budget was accepted.

4. To see if the District will vote to raise by bonding and appropriate the sum of One Million One Hundred Thousand Dollars (\$1,100,000.00) for the purpose of upgrading the District's water storage and distribution system. Improvements will include: installation of the new piping and appurtenances along sections of Main St., Foundry St., and South St.; removal of the existing steel storage tank; and restoration of those areas disturbed by this construction.

Jim Chilton gave a brief explanation of the project and all the work that has been done to this point. Verne discussed Farmers Home Administration funding. The loan will be for 5½% annual interest rate for 30 years. The increase in the customers bill will be approximately \$14.00 per quarter per unit. Discussion of the Town paying a portion. The Town will pay by water hydrant fees. The firemen said there is a definite need for the new system, the old system is inadequate. Edmund Jansen stepped down as Moderator and Joseph Caouette replaced him. Ed gave a brief statement recommending the voters accept this proposal. Ed then returned to his position as Moderator. John Lesniak made a motion to end the discussion and begin the voting. Michael Allard seconded the motion. The voting began at 8:59 p.m. and the polls were open for one hour. The final vote at 9:59 p.m. was 49 yes and 5 no. The bond was approved.

5. To see if the District will authorize the Commissioners to withdraw funds from the District's saving account in the event the 1995 expenditures exceed the 1995 receipts.

Ken Shorey made a motion to accept. Julie Gosselin seconded the motion. The motion was accepted.

6. To see if the District will authorize the Commissioners to withdraw funds from the District's saving account in the event 1995 expenditures exceed 1995 receipts.

Verne Crosier made a motion to accept. Julie Gosselin seconded the motion. The motion was accepted.

7. To authorize the Commissioners to apply for and/or receive and spend any State or Federal funds in the furtherance of the Districts purpose.

Verne Crosier made a motion to accept. Ken Shorey seconded the motion. The motion was accepted.

8. To see if the District will approve the additions, deletions and changes to the ordinances of the District as submitted by the Commissioners.

The Commissioners recommended a change in the sewer hook-up fee for new homes. \$1,500.00 per bedroom with a minimum of \$3,000.00. Verne Crosier made a motion to accept. Gail Flynn seconded the motion. The motion was accepted.

9. To transact any other business that may legally come before said meeting.

There was no further business. Ken Shorey made a motion to adjourn. Dennis St. Hilaire seconded the motion. The meeting was adjourned at 10:03 p.m.

Given under our hands this 28th day of March 1995.

Kenneth Shorey
Verne Crosier
Dennis St. Hilaire
Commissioners of the
Rollinsford Water & Sewer District

ROLLINSFORD SCHOOL DISTRICT WARRANT — 1996
THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Rollinsford qualified to vote in district affairs.

You are hereby notified to meet at the Rollinsford Grade School in the said district on the ninth day of March, 1996, at 9:00 o'clock in the morning, to act upon the following subjects.

1. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the district. School Board Chair, \$300; School Board Member(s), \$500 (two (2) at \$250 each); Moderator, \$50; District Clerk, \$50; Treasurer, \$400; Census Taker, \$155; Supervisor(s) of the Checklist, \$45 (three (3) at \$15 each) for a total of \$1,500.00.

2. To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.

3. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

4. To see if the district will authorize the School Board to make application for and to receive in the name of the district such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government or any department or agency thereof.

5. To see what sum the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by the taxes in the town.

6. **Pending Board Approval - Nonbinding Straw Vote** - Assuming there is a viable option, would you be interested in pursuing alternatives to the present AREA Agreement with Somersworth?

7. **Pending Board Approval** - Discussion of the following: "Shall we adopt the provisions of RSA 40:13 to allow official ballot voting on all issues before the School Board of the Town of Rollinsford?" (The vote on this article will be by official ballot at the poles on Tuesday, March 12, 1996.)

8. To transact any other business that may legally come before this meeting.

Given under our hands at said Rollinsford this _____ day of _____, 1996.

Jay P. Whitehouse, Chairperson
Kris Ebbeson
Sharman Price

Official warrant will be posted at the Post Office, Town Hall and Rollinsford Grade School on Friday, February 23, 1996.

ROLLINSFORD SCHOOL DISTRICT WARRANT - 1996
THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Rollinsford qualified to vote in district affairs.

You are hereby notified to meet at the Rollinsford Town Hall in the said district on the twelfth day of March, 1996, from 10:00 o'clock in the morning until 7:00 o'clock in the evening, to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. "Shall we adopt the provision of RSA 40:13 to allow official ballot voting on all issues before the School Board of the Town of Rollinsford?" (By petition).

Given under our hands at said Rollinsford this _____ day of _____, 1996.

SCHOOL ADMINISTRATIVE UNIT NO. 56

The 1996-97 Rollinsford School District budget represents a continued effort by the school board to balance the needs of our students with the financial resources available from the taxpayers. In the third year with no Foundation Aid from the State and a reduction of aid from other sources, the balance still means an increase in the tax rate. If you go down through the accounts in the budget, you will see that many remain the same or are less than last year and some have remained the same for several years. Because of an increased number of special needs students, we are required by law to increase spending in these accounts. One of the accounts showing a significant reduction is for health insurance that we provide for our teaching staff. Through negotiation of a contract for the next year, we were able to change our insurance carrier and realize these savings. The teacher salary increase is 3.25% over the salary schedule which represents a total increase of 6.1% over last year's contract. This increase may seem high to some people but I can assure you that the staff has worked with us in the past years of negotiation of contract and some have not received a very large increase in those years. There is less impact on the budget because of the insurance savings. We have an experienced staff who do an excellent job preparing our children to compete in our ever changing World and they work extremely hard and put in many hours outside of the classroom to make Rollinsford a better place to live. It continues to be frustrating for the school board as we don't feel that we can introduce any new programs since we truly are trying to keep the tax rate down. As taxpayers we must remind our representative to the State Legislature that the Foundation Aid Law has never been fully funded since it was passed and that all revenues from the Sweepstakes do not go into the formula to fund education.

Again this year, I would thank all of the taxpayers in Rollinsford for supporting the education of the future citizens of our World. We should all be proud of their achievements and should feel that they are all "our kids" and deserve our support.

Jay P. Whitehouse, Chairperson
Rollinsford School Board

PRINCIPAL'S REPORT - 1995

Rollinsford Grade School is an outstanding place! Our professional and paraprofessional staff is committed to providing children with an education that will serve them into the next millennium! We are fortunate that the spirit of volunteerism runs high and we have many fantastic children who are the offspring of caring and nurturing families.

Because of the previous efforts of the RGS recycling committee, the PTO, and the school district budgets, we are able to offer a technology rich experience to each of our students.

Community values, beliefs, and morals also contribute to shaping the kind of school that we have become. The size of Rollinsford coupled with the pride that exists within it are also key factors.

This year we have welcomed back Suzanne Foley Drysdale who replaced reading consultant Dorothy Taraburelli. We also have increased reading services as a direct result of Chapter I funding. Because of an unanticipated increase in our special needs population, we have also hired Moira Taylor as a part time special educator. We are now established as a training site for interns from the University of New Hampshire as we have an excellent reputation with the Education Dept. at UNH and for preparing beginning educators.

In the subject of Social Sciences, we are in our first year of a new curriculum. Our students are amazing their families with newly acquired skills in the areas of geography, history, economics, civics and government.

To the credit of many volunteers and local contractors and because of some generous donations, we were able to construct, at no cost to the district, a handicapped accessible ramp during August of 1995. This project received attention throughout the State and has enabled a fourth grader, who relies on a wheelchair for mobility, to enter school each day with his peers.

As a district, we are in our third year of Strategic Planning. This initiative has resulted in documents which include a mission statement as well as specific sets of beliefs and outcomes for our children. These documents will serve us well as we continue to strive for excellence at every level of student learning. Two Action Teams are presently exploring alternatives for our seventh through twelfth grade students as well as researching restructuring options for the Grade School. Both teams will need your input and support in order to be effective.

Our students are scoring very well on standardized testing (in the 87th percentile on 11/95 CAT testing), becoming responsible citizens, and learning the importance of strong academic and social skills. One recurring compliment to our school and staff which always stands out in my mind is that students who go on from Rollinsford Grade School may not all be the brightest and most talented but they do possess strong study skills, a good work ethic, and a positive ability to work with others. Who could ask for more?

If you are a resident of Rollinsford and you don't really know much about the Grade School, I would like to encourage you to call and make an appointment to visit and get acquainted.

Sincerely,
Jay M. Roy

MINUTES OF THE ROLLINSFORD ANNUAL SCHOOL DISTRICT MEETING MARCH 11, 1995

The meeting was called to order at 9:05 a.m. on Saturday, March 11, 1995 at the Rollinsford Grade School in Rollinsford, N.H. by Moderator, Joseph Caouette.

Articles 1 through 4 will be voted on by ballot at the Town Hall on Tuesday, March 14, 1995.

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.

Article 5. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the district. Motion was made by Charles Dionne seconded by Doris Gibbas to accept as read. No discussion. Voice vote, motion passed.

Article 6. To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto. Motion was made by Michael Brown, seconded by Gail Flynn to accept as read. No discussion. Voice vote, motion passed.

Article 7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant. Motion was made by Nancy Dionne, seconded by Denise Knowles to accept as read. No discussion. Voice vote, motion passed.

Article 8. To see if the district will authorize the School Board to make application for and to receive in the name of the district such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government or any department or agency thereof. Motion was made by Armand Laliberte, seconded by Monica Barry to accept as read. No discussion. Voice vote, motion passed.

Article 9. To see what sum the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by the taxes in the town. Mr. Caouette reported the figure to be \$1,962,941.00. Motion was made by Denise Knowles, seconded by Michael Brown to accept as read. No discussion. Voice vote, motion passed with a few opposing.

Article 10. To transact any other business that may legally come before this meeting. None.

Motion to adjourn was made by Denise Knowles, seconded by Paul Connolly at 9:17 a.m. to adjourn. No discussion. Voice vote, motion passed.

Respectfully submitted
Paula S. Woolley

AUDITOR'S REPORT ON FINANCIAL PRESENTATION

We have audited the accompanying general purpose financial statements of the Rollinsford School District as of and for the year ended June 30, 1995. These general purpose financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Rollinsford School District has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Rollinsford School District as of June 30, 1995, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Rollinsford School District. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

**MINUTES OF ROLLINSFORD TOWN MEETING
STATE OF NEW HAMPSHIRE
STRAFFORD, SS
HELD SATURDAY, MARCH 18, 1995**

The meeting called to order at 9:05 a.m., with the Moderator reading the Warrant and giving the results of Articles I to IX, and the results of the School District voting which was by ballot vote on March 14, 1995.

ARTICLE I

To bring in your ballot for:

One (1) Selectman and Overseer of the Poor for three (3) years,
Votes

Edgar A. Ross	279
Paul Joncas	1
William Meserve	1
Richard Card	1

Town Clerk for one (1) year,

Beverly Dionne	294
Paula Woolley	1
Denise Noonan	1

Town Treasurer for one (1) year

Rita M. Connolly	278
Richard Card	2
Gail St. Hilaire	1
Verne Crosier	1

Chief of the Fire Department for one (1) year,

Harry S. Knowles	286
Gary Caron	3
Eleanor Tinker	1
Mickey Mouse	1

One (1) member of the Budget Committee for one (1) year,

Paul Connolly	264
John Schreiner	1
Tom Lebel	1
Ray Winter	1

Three (3) members of the Budget Committee for three (3) years.

Howard Hammond	260
Armand R. Laliberte	245
Loren Schanck	217
Carlton Spencer	2
Robert Smith	1
Norma Toussaint	1
Richard Card	1

One (1) Trustee of Trust Funds for three (3) years,	
Joseph Porter	4
Jerry Anderson	2
Ovid Viel	2
Nelson Lawry	2
John Schreiner	1
Ed Jansen	1
Larry Larkin	1
John O'Connor	1
Roger Perreault	1
George Janetos	1
Eugene Berube	1
Doris Gibbas	1
Ardith Jacobson	1
Ron Marcotte	1
Florence Greenaway	1
Richard Card	1
Peter Michaud	1
George Hannon	1
Howard Hammond	1

One (1) Supervisor of the Checklist for one (1) year,	
Gail St. Hilaire	28
Norma Toussaint	16
Francis Morang	9
Theresa Therrien	1
Rose	1
Francis Catalfo	1
John Schreiner	1
Gail Toussaint	1
George Jansen	1
Ardith Jacobson	1
Bill Janetos	1
Paul Shea	1
Mike Brown	1
Janet Morest	1
Sue Stairs	1
Eleanor Janetos	1

One (1) Supervisor of the Checklist for five (5) years.	
Norman Toussaint	47
Gail St. Hilaire	18
John Schreiner	2
Laurent Gagnon	2
Nancy Dionne	2
Joe Caouette	2
Doris Gibbas	1
Janet Morest	1
Gail Toussaint	1
Cheryl Allard	1
Joanne Anderson	1
Patricia Coolidge	1
Sue Stairs	1
Paula Woolley	1

One (1) Trustee of the Rollinsford Library Trust for three (3) years,	
Daria Mielcarz	221
Florence Greenaway	1
Margaret Tilson	1
Tony Economos	1
Paul Dodier	1
Lewis Janetos	1
Paul Janetos	1
Richard Gray	1

ARTICLE II

Are you in favor of the adoption of Amendment No. 1 to the Town Zoning Ordinance as proposed by the Planning Board?

This amendment would clarify the “Definitions” section of the Ordinance to define “non-conforming use,” “nonconforming lot,” “non conforming structure” and “nonconforming site improvements”. The amendment also would reorganize, recodify and clarify Section 5 of the Ordinance regarding “nonconforming uses,” to better guide Rollinsford land owners, the Board and the Rollinsford Zoning Board of Adjustment in determining what changes may be made to nonconforming uses, lots, structures and site improvements.

YES 231 NO 48

ARTICLE III

Are you in favor of the adoption of Amendment No. 2 to the Town Zoning Ordinance as proposed by the Planning Board?

This amendment would amend note 10 of Section 7 of the Ordinance to require land owners and the Planning Board to exclude easements and right of ways from calculations to determine what portions of land parcels may be built upon.

YES 202 NO 79

ARTICLE IV

Are you in favor of the adoption of Amendment No. 3 to the Town Zoning Ordinance as proposed by the Planning Board?

This amendment would modify Section 8.7.5 of the Rollinsford Zoning Ordinance to establish that a minimum of 25% of the land in a cluster subdivision must remain in its natural, undeveloped state, would require that the open space in a cluster subdivision be contiguous, and be configured in a way to preserve wetlands, steep slopes, “viewsheds” and unique natural features of the land in the subdivision and repeal Section 8.7.6 of the Ordinance, which substantially duplicates Section 8.7.2. This amendment would also change Table 8.7 of the Rollinsford Zoning Ordinance to reduce the average lot widths in Cluster subdivisions in order to encourage cluster subdivisions and would amend Table 6.9.A.13 of the Ordinance to allow cluster subdivisions as a matter of right in the Suburban Residential, Urban Residential and Country Residential zoning districts.

YES 210 NO 61

ARTICLE V

Are you in favor of the adoption of Amendment No. 4 to the Town Zoning Ordinance as proposed by the Planning Board?

This amendment would clarify Section 4.8.C, containing the method that Rollinsford land

owners and town officials use in determining the value of structures that had been partially destroyed. The purpose of this proposed amendment is to clarify the provisions that apply to the rebuilding of nonconforming uses that are partially destroyed.

YES 251 NO 38

ARTICLE VI

Are you in favor of the adoption of Amendment No. 6 to the Town Zoning Ordinance as proposed by the Planning Board?

The amendment would identify a new use in Table 6.9 and establish special provisions within Section 8 of the Ordinance to govern the location and establishment of adult entertainment uses in the Town of Rollinsford. The Board believes that such uses may not lawfully be excluded entirely by a town's zoning ordinance. Therefore, the purpose of this proposed amendment is to clarify where adult entertainment uses may be permitted.

YES 246 NO 47

ARTICLE VII

Are you in favor of the adoption of Amendment No. 7 to the Town Zoning Ordinance as proposed by the Planning Board?

This amendment would amend Section 7 of the Ordinance to reduce the minimum lot size and width in Rollinsford's industrial zone to permit smaller parcels on lots abutting the road leading to the Transfer Station. The purpose of this amendment is to promote the economic development of Rollinsford by improving the marketability of certain parcels in the industrial zone.

YES 253 NO 43

ARTICLE VIII

"Shall we adopt optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years \$10,000; for a person 75 years of age up to 80 years, \$15,000; for a person 80 years of age or older, \$20,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition the taxpayer must have a net income of less than \$23,400; or, if married, a combined net income of less than \$26,800; and own net assets not in excess of \$150,000 excluding the value of the person's residence". (by petition)

YES 143 NO 161

ARTICLE IX

"Shall we adopt the provisions of RSA 72:29-a, II to increase the surviving spouse exemption for surviving spouses of veterans who died while on active duty in certain conflicts from \$700 to \$1,400?" (by petition)

YES 169 NO 126

ARTICLE X

Surveyors of Wood and Lumber

Ovid Viel nominated Albert England, Joseph Porter, Paul Janetos, George Lord, and himself. Being no further nominations, vote taken, nominees are elected (voice vote)

Fence Viewer

Ovid Viel nominates Paul Janetos. Vote taken, Paul Janetos elected. (voice vote)

Tree Warden

Ovid Viel nominates Robert Whitehouse. Robert Whitehouse elected. (voice vote)

Parks and Recreation

Paul Joncas nominates Ovid Viel. Vote taken, Ovid Viel elected.

ARTICLE XI

To see if the Town will vote to appropriate the sum equal to all revenues in excess of \$50,000.00 that may be received from the Hydro Electric Plant to be placed in the Town's Hydro Electric Fund. (The first \$50,000.00 or any lesser amount that may be received will be used as offset against Town Budget Expenditures).

Robert Smith, seconded by Gail Flynn moves to accept as read. No discussion. Ayes carries. (voice vote)

ARTICLE XII

To see if the Town will vote to appropriate the sum of \$5,000.00 and withdraw the same from the Land Trust Fund to finance land survey and related expenses that may be incurred in assisting private land owners who donate Conservation Easements and/or participate in the Land Conservation Investment Program (LCIP).

Armand Laliberte moves, seconded by Charles Williams to accept Article as read. No discussion. Ayes carries. (voice vote)

ARTICLE XIII

To see if the Town will vote to appropriate the sum of \$25,000.00 for ongoing street repaving and road drainage renovations.

Motion made by Richard Wasson, seconded by Armand Laliberte, to accept as read. Mr. Williams asked if the Selectmen had any idea which roads would be done. Selectman Jansen explained we work a 10 year cycle with road repair. As costs rise we don't get alot of a road or roads done. Last year part of Baer Road was done and this year more may be done. The town has been doing more crack filling in hopes of extending the need for repairs. Vote taken, Article carries. (voice vote)

ARTICLE XIV

To see if the Town will vote to appropriate the sum of \$25,000.00 for the Town Equipment Reserve Fund. (fund balance on Dec. 31, 1994 - \$3,681.49)

Motion made by Charles Williams, seconded by Robert Cullen to accept as read. Mr. Jansen stated that no money was budgeted last year. Ayes carries (voice vote)

ARTICLE XV

To see if the Town will vote to establish a Fire Station Building Reserve Fund to hold funds for a future addition to the fire station.

Robert Smith, seconded by Gail Flynn, moves to accept Article XV. Marc Couture asked for an explanation on this request. Mr. Jansen explained that there is a space problem at the fire station. To house the current trucks, a wall had been pushed out and part of the meeting room is used for the trucks. There is a need for one or two more bays, but because no detailed study or plans had been made, the Selectmen did not feel it was appropriate to fund an addition this year. Approval of this Article is a commitment to add additional bay

space to the fire station at some future date. Mr. Laliberte said he can see a Reserve Fund for items that are periodically purchased, but he didn't understand why we needed one for a structure which is a one time thing. The Reserve Fund will then have to be terminated, he didn't think it was proper. Mr. Jansen responded that it is up to the voters to decide, it's really a question of paying before or after the addition. Vote on Article XV carries. (voice vote)

ARTICLE XVI

To see if the Town will vote to appropriate the sum of \$5,000.00 for the Fire Station Building Reserve Fund. (Fund to be established by Article XV)

Charlie Dionne moves to accept Article as read. Seconded by Mike Jacobson. Question brought up by Mr. Wasson as to what the total cost might be. Chief Knowles said that there are no estimates yet, everything is still in the planning stage. Studies need to be made as to which side of the current building to add to, or perhaps one bay on each side. There are also right of ways for the railroad and telephone company to consider. Joyce Eldridge said that maybe three bays should be considered, if the current need is for two. Mr. Jansen said the study may show a need for three bays or maybe one bay, without these answers the Board did not want to act to quickly. Article XVI carries. (voice vote)

ARTICLE XVII

To see if the Town will vote to establish a Town Revaluation Reserve Fund to hold funds for the future revaluation of property values in Rollinsford.

Denise Knowles, seconded by Mike Jacobson moves to accept as read. Question asked as to when this will happen. Mr. Jansen stated within the next three years. No further discussion on this Article. Ayes carries. (voice vote)

ARTICLE XVIII

To see if the Town will vote to appropriate the sum of \$10,000.00 for the Revaluation Reserve Fund.

Motion made by Mike Jacobson, seconded by Denise Knowles to accept Article XVIII as read. Mr. Jansen said this would be a complete revaluation with the cost \$40,000 plus. One option would be to do it over a four year period, doing part of the town each year. Pick-ups and measurements would be done in a different part of town for each of the four years and after the fourth year when all the measurements are done, then the formal revaluation would be done raising the rates per square foot, giving the new assessed value. This is one option or the town could be done all at once. Vote carries (voice vote)

ARTICLE XIX

To see if the Town will appropriate \$15,000.00 to build up to 400 feet of roadway and utilities on Town land (Lot 2-14-1). The \$15,000.00 would be derived from sale of subdivided land from Town Lot 2-14-1.

Motion made by Armand Laliberte to accept as read. Seconded by Charles Williams. There are no firm buyers currently, but this would allow the Selectmen to respond if there was a buyer. Some of the work would be done with town equipment helping to keep cost down for this 400 feet of road. Ayes carries. (voice vote)

ARTICLE XX

To see if the Town will appropriate the sum of \$15,000.00 to be placed in a new Library Building Reserve Fund that will be held by the Town Library Trustees. (not recommended by

the Board of Selectmen nor by the Budget Committee)

Tom Lebel motions to accept, seconded by Charles Bolian. Mr. Lebel motioned to amend Article XX by striking out the word Building and replacing it with Capital, so it would read "Library Capital Reserve Fund". Nelson Lawry seconded motion to amend. Robert Cullen asked who would be in charge of spending the \$15,000.00 Mr. Lebel said that the Library Trustees would have control over the expenditure of the \$15,000.00, but that they did not have any firm plans at this time. Mr. Jansen said that was one of the concerns that the Board of Selectmen had with this Article, and that usually trustees have custody of monies and cannot spend any without approval of a town meeting. John Rumney stated he didn't think there was enough information on what was being asked for, or why it was needed. Nelson Lawry answered that the trustees have a large collection of books to deal with. They need a space to start a library, even if it's a room with a computer in it, but they need to be established as a library or an information center. Paul Janetos said that he believed that within the next 4 or 5 years, 95% of library work can be done with a computer and that libraries will be where you put books in storage. He felt to maintain and run a library such as the one being discussed would cost \$100,000, the Town is too small and close enough to area libraries for those who wish to use them. He is against this Article. At this point the Moderator felt the discussion was getting away from the proposed amendment, and called for a vote to amend Article XX, by changing Building Reserve Fund to Capital Reserve Fund. Vote to amend carries. Several voiced concerns that this money could be spent without town meeting approval and that they would be more comfortable knowing before hand what it would be spent on. Steve Roberts suggested further amending the article to add a clause that would prevent the trustees from spending without approval at a Town Meeting. Mr. Bolian agreed with this suggestion and moved to amend Article XX to read "To see if the Town will appropriate the sum of \$15,000.00 to be placed in a new Library Capital Reserve Fund that will be held by the Town Library Trustees. No funds shall be spent without approval of the Town Meeting." Steve Roberts seconded this second amendment to Article XX. Vote on second amendment to Article carries. Request is made to have ballot vote on Article XX as amended. Results: YES - 27 NO - 49 Article is defeated.

ARTICLE XXI

To see if the Town will vote to accept the recommended 1995 budget as submitted by the Budget Committee.

Motion to accept Article as read made by Paul Connolly, seconded by Mike Jacobson. The total amount of the 1995 budget is \$835,310. Ovid Viel asked if some gravel could be put in the bad spots in Old Indigo Hill Road, because the fire trucks could not get in if needed. Mr. Jansen said because that is a class six road subject to gates and bars it is not maintained by the Town. Because this is a safety issue, the Board will look into it and perhaps fill in the bad spots so that fire and police vehicles could get in if necessary. Mr. Viel said if the Town will dump the gravel he will spread it. Article XXI carries. (voice vote)

ARTICLE XXII

To see if the Town will vote to accept Cottage Lane as a town road subject to the conditions of the agreement between the Board of Selectmen and the developer. (Developer will apply the final top inch of road surface by the fall of 1995 or the Selectmen will use the \$4,500.00 escrow fund to complete the paving.) Cottage Lane is about 600 feet in length located off General John Sullivan Way adjacent to Silver Lane.

Mr. Smith, seconded by Mr. Laliberte moves to accept as read. No discussion. Ayes carries. (voice vote)

ARTICLE XXIII

To see if the Town will name the road in Stockdale Annex Circle as Doherty Lane. (The use of Stockdale Annex Road causes confusion for emergency 911 personnel)

Motion made to accept as read by Doris Gibbas, seconded by Theresa Wasson. No discussion. Ayes carries. (voice vote)

ARTICLE XXIV

To see if the Town will officially name the road laid out over the old railroad R.O.W. to the Somersworth line as Scoutland Road.

Mr. Connolly, seconded by Mr. Jacobson moves to accept Article as read. Mr. Jansen said this was the old railroad bed, it was always called Scoutland Road but formally did not have a name. In 1968, by petition the Town layed out a road over the railroad bed, and it has been an unnamed class six road for several years. Article carries. (voice vote)

ARTICLE XXV

To see if the Town will officially name the road from Church Street to Lot 2-14-1 as Industrial Park Avenue. (transfer station road)

Tom Lebel moves to accept as read. Richard Wasson seconded motion. Lucy Putnam moved to amend the Article to change Industrial Park Avenue to Jessie Doe Road. Jessie Doe was one of two women who were the first women members of the NH Legislature. Nelson Lawry seconded this amendment. Vote to amend Article XXV carries. Vote on Article as amended, "To see if the Town will officially name the road for Church Street to Lot 2-14-1 as Jessie Doe Road," carries.

ARTICLE XXVI

To see if the Town will vote to authorize the Selectmen to convey any real estate acquired by the Town by Tax Collector's deed. Such conveyance shall be by deed following the public auction, or the property may be sold by advertised sealed bids, or may be otherwise disposed of as justice may require pursuant to RSA 80:80.

Ovid Viel, seconded by Charlie Dionne, moves to accept as read. No discussion on this Article. Ayes carries. (voice vote)

ARTICLE XXVII

To see if the Town will vote to authorize the Selectmen to sell to the highest bidder, the surplus equipment and vehicles in the Highway, Fire and Police Department. Motion made by Mr. Viel, seconded by Mr. Lebel to accept as read. No discussion. Article XXVII carries. (voice vote)

ARTICLE XXVIII

To see if the Town will vote to accept the proposed amendments and extensions of the Lamprey Regional Cooperative Agreement. Motion to accept as read made by Richard Wasson, seconded by Mr. Viel. No discussion on this Article. Ayes carries.

ARTICLE XXIX

To see if the Town will vote to authorize the Selectmen to enter into a long term contract to dispose of waste at a regional transfer station and recycling center operated by the Lamprey Regional Cooperative.

Mr. Wasson moves to accept Article as read, seconded by Mr. Laliberte. Because of the uncertain future of the Lamprey Regional Cooperative, scheduled to close in November 1995, Mr. Jansen moved to amend the Article to read Lamprey Regional Cooperative or other appropriate solid waste agency or firm. Mr. Wasson seconded this amendment. Vote to amend Article carries. Vote on Article XXIX as amended, "To see if the Town will vote to authorize the Selectmen to enter into a long term contract to dispose of waste at a regional transfer station and recycling center operated by the Lamprey Regional Cooperative or other appropriate solid waste agency or firm," carries. (voice vote)

ARTICLE XXX

To transact any other business that may legally come before the meeting.

The moderator thanked those that helped count ballots on March 14, Howard Hammond brought up about a bill that would do away with district meetings, making town meetings only informational meetings, with the budget being a ballot issue. Steve Roberts suggested we have our State Representative take the message to Concord that the Town of Rollinsford is opposed to this.

Meeting adjourned at 11:40 A.M.

I Beverly Dionne, Town Clerk of Rollinsford, certify that the above is a true copy of excerpts from the regular Town Meeting held March 18, 1995.

Beverly Dionne
Town Clerk
